WELCOME

Welcome to NLCC. I'm excited about Winter time here at Christies! We have our Winter Gospel Mission through July and August (see details on page 4).

Romans 1:16 says, 'For I am not ashamed of this Good News about Christ. It is the power of God at work, saving everyone who believes—the Jew first and also the Gentile'.

Romans 10:13-15 says, "Everyone who calls on the name of the Lord will be saved." How then can they call on the One in whom they have not believed? And how can they believe in the One of whom they have not heard? And how can they hear without someone to preach? And how can they preach unless they are sent? As it is written: "How

beautiful are the feet of those who bring good news!"

Our chief work is to tell people about the good news of Jesus. It's time to brush up our skills and enter into a season of gospel mission. Please pray for effective evangelism; that we will all become better equipped to share Christ and the gospel. Pray for God to open hearts and for miracles to heal, deliver and save.

Apart from all the fellowship, worship, and ministry opportunities, we are also putting on a special night for ladies and girls on Friday 29th July. See details below.

I am going to Vanuatu mid-July to visit Pr Remy Adams and the Weimanis, missionaries from PNG, stationed at our WMFTS Santo Island. It's been a long wait, but it'll be great to be with our friends.

God bless, **Pr Greg Crome**

PRESCHOOL TEACHER TRAINING

I am thankful to God for making it possible for us to commence preschool teacher training again this year after the long closure for the past two years. We are still sorting out our program, settling the students in and helping them adjust. It was a bit challenging in the beginning due to different mind sets, religions and also levels of educational backgrounds, but it is through the prayer and support from all of you and the team here at Bethel that they have adjusted well.

We have finished two subjects, with the second one ending with a cultural presentation. The support from staff, students and families was commendable as they came in last minute to show support to the students. The students are doing well and are coping up with each new subject even though it is their first time learning about teaching in a preschool setting.

All of the students are actively involved in programs around Bethel Centre and are cooperating well, despite a few misunderstandings. The pastors are taking turns every Tuesday morning to share God's Word and encourage the students. They are also praying for them.

I appreciate all of your support towards the preschool teacher training and I am looking forward to great things ahead.

Many blessings,
Viema Vakacegu
